RE: Requests for a Seamless Summer Feeding Waiver

DATE: March 2010

The United States Department of Agriculture has announced an option for schools which operate the Summer Food Service Program (SFSP). These waiver provisions are found in section 12(l) of the Richard B. Russell National School Lunch Act (42 U.S.C. 12(l)). This waiver reduces paperwork and the administrative burden that can be associated with operating this program. To accomplish this, the School Food Authority (SFA) requests a waiver of significant portions of the SFSP Federal regulations at 7 CFR Part 225. In lieu of SFSP regulations that are waived, the SFA will follow corresponding requirements, where applicable, in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) regulations at 7 CFR (Part 210 and 220), respectively.

If you wish further guidance for the process of applying for a waiver or if you wish to decline this option, please indicate below. **Please Note: Form must be returned to the Bureau of Nutrition regardless of decision.**
